## Full Job Description

Are you looking for a job that ACTUALLY values you, your hard work and shows that appreciation with advancement? How would you like to be part of a winning team in a fast-paced, fast-growing organization?

The rest of the world calls this a minimum wage job, but we call you the most important person in our organization! P.S. (We also pay more than minimum wage!)

If you're self motivated, love being in a rapidly changing work environment and want to be part of a dynamic team that thrives on building relationships with our customers, then we want to hear from you!

The basics:

- Serving customers with a smile and a genuine conversation
- Serving up ridiculously tasty food in a fun and fresh way
- Cleaning the store until it shines (because anything less doesn't change the world!)
- Above average pay and amazing advancement opportunities

Must haves

- Genuine smile
- Cheesy jokes (just kidding, that's MY thing)
- An amazing work ethic
- Coachable attitude
- Drive to tackle new challenges and question the status quo

Cool stuff you should know

- We're all a little bit fanatical, but that's why you'll love us

- We take our business seriously, but we don't take ourselves too seriously
- Our team discount and amazing food will have you eating healthy and loving every bite

This isn't like every other job you've had where you're forced to stay inside the 'box'. At Pita Pit, we light that box on fire. Come join our team!
